FAT WOMAN ALMOST MISSES DEPARTING TRAIN.

An elderly woman with slight overplus of adiposity, came near letting Sunday night's G. H. train run away without her. When the eastbound train stopped at the Stanton street station she alighted from the observation car and strolled about a dozen steps from it to the rear. Here she stood for several minutes contemplating the wonders of El Paso's plaza and business center. Now, with that eastbound limited, noise is a feature that doesn't develop when the rear of its 12 cars starts to pedal it out of town. It was in this case. The train began slowly to creep eastward.

The woman still stared at El Paso's glories. Then she leisurely turned as though the idea had just occurred to her that the train might be getting ready to move. It was about 40 feet away. With a loud scream that attracted everybody's attention she started to run. But on account of her weight she couldn't make much progress. Three trainmen who happened to be near, rushed to her aid and, half dragging, half carrying her along, managed to thrust her aboard the observation platform on the run.

Saturday and Sunday Games—Special Wire to The Herald.

SAN ANTONIO AT GALVESTON.

San Antonio, Tex., June 6.—Before 4000 spectators, many of them rooters from Houston, the Buffaloes defeated the Bronchos Sunday, 5 to 0. Ross was invincible while errors, combined with five hits got as many runs off Ables. Ikey Pendleton, a former Broncho, started the scoring which resulted in the defeat of his former teammates.

San Antonio Saturday defeated Galveston 7 to 0. Billard pitched. That tells the story. On the other hand Crabble clouted hard and Alexander was a batting hero. Out of four times up he got one two bagger and a home run, which scored the runner ahead.

RAIN STOPS GAME.

Waco, Tex., June 6.—Houston and Waco played Saturday in a rain which stopped the game at the sixth inning. Neither side scored.

FORT WORTH BLANKED.

Fort Worth, Tex., June 6.—The Oklahoma City Indians got their tomahawks out for the Fort Worth Panthers in the second inning Saturday and the game was won by a score of 3 to 0. Except for this inning the game was a fast one with both pitchers going in fine form.

Oklahoma and Fort Worth battled Sunday for 12 innings to a tie, the score being 3 to 3. Morris made five hits out of as many trips to the plate, but did not connect when the hits meant runs. A record breaking crowd saw the contest, which darkness stopped.

BALL OVER THE FENCE.

Waco, Tex., June 6.—The tailenders defeated Galveston Sunday by 2 to 1. Thebo knocked one over the fence for a home run after Williams had been given a free pass to first, scoring two runs. This was in the eighth inning. Gordon's failure to field a thrown ball by Thebo allowed Dundon to score Galveston's only run.

SHREVEPORT WINS.

Dallas, Tex., June 6.—A base on balls by Randall and errors by Maag and Randall gave Shreveport two of its three runs Sunday on which the visitors won the game by 3 to 2. The contest went 10 innings and was won when Gardner's single and Gears' two bagger came bunched.

Dallas and Shreveport couldn't play Saturday; rain.

TEXAS LEAGUE NOTES

By Horace H. Shelton.

The players of the Texas league seem more popular with the American league than with the National league. Where there is one man in the latter there are five in the former. The recruits must be proving of value for already scouts of the American league are working in Texas.

It looks as if Dallas would put the rollers under Pitcher Hirsch. He has now lost six games in succession and those he played in have been in many instances mere farces.

Despite all the changes in personnel, Houston still keeps the lead by a considerable percentage. With Salms and Truesdale in the line up it looks as if the champions would have a walk away unless some of the teams strengthen very materially.

Kelsey, whom Houston recently induced to join that team, is playing good ball. He is clouting the horse hit in fine shape and so far has not made an error in fielding. He held out a long time for an advance in salary.

"Get some new pitchers" is the cry of Dallas fans. The cry should be heeded if the management is to stop the headlong tumble of the Giants towards the cellar championship.

Pendleton, the old San Antonian, is now on the bench with the Houston team. He is being carried as a utility player. Houston, it is understood, has asked other teams for an offer for his services. He played with Waco earlier in the season.

Storch, left fielder for Dallas, is keeping up his reputation as a hard hitter and a heady ball player despite his poor showing made by his team mates.

In addition to his record as a pitcher, Jack Goyneux is getting a reputation as pinch hitter. He was sent in the other day to bat for a fellow player and lined out a three bagger which won the game.

Not a single one of the Texas leaguers is showing well in the Southern league this year. Usually this league has a number of them. The big league has not got the pick last year and nothing was left for the Southern except some second choices and these have not been doing exceptionally well.

After being temporarily smothered the movement for waiving Shreveport and Oklahoma City from the Texas league has been renewed. This comes as a surprise.

Seattle, Wash., June 6.—For the second time within a few months, members of the 25th Infantry of the United States army, (the negro regiment of Brownsville, Tex., fame) were paraded before a woman today in an effort to pick out a criminal.

The result so far has been negative—as was the case in the first affair. Mrs. J. W. Redding, the woman who claims she was attacked in her home Saturday night by a negro dressed as a soldier, was unable to identify any of the soldiers.

It was impossible to parade all the soldiers before Mrs. Redding Sunday as a number of them acted as escort at the funeral of Maj. John S. King, but the inspection will be continued tomorrow.

CHINESE BABY THE PET OF TOURISTS ON A TRIP.

Traveling eastward for his first view of the country's metropolis, Wau Kin Fong, a wealthy Chinese merchant of San Francisco, passed through El Paso Saturday night over the Southern Pacific bound for a four months' tour of the east.

With his native wife, he occupied a compartment in a tourist car. But it was Fong's baby boy, about two years old, who attracted the attention. The baby paraded about upon the confines of the car seat, took in everything through his funny little eyes, crowded his delight in the Celestial dialect and modestly received the numerous attentions lavished upon him by the American tourists in the car.

Fong and his wife both speak English fluently, and he says the baby shall have the best of American education when old enough. Fong was one of the few merchants of "Piso" who rallied from the effects of the earthquake sufficiently to rebuild his place of business in Chinatown upon a better scale than formerly.

MORECI WINS CLIFTON GAME

Scores Six Runs and Shuts Out the Boys From the Other Camp.

Clifton, Ariz., June 6.—A shutout was what Moreci wanted in the Clifton club Sunday afternoon. Getting to Clifton's two crack pitchers, Clifton and Abbott, Moreci hammered out 11 hits which assayed six runs. The fielding of the locals was also ragged at times, there being five errors chalked against the boys from this side of the mountain. Merritt pitched for Moreci and allowed but three hits, none of which were score getting ones.

The score:
Moreci..... R. H. E.
Clifton..... 6 11 2
Clifton..... 0 0 0
Batteries: For Moreci, Merritt and Hoffman; for Clifton, Clifton, Abbott and Crittenden.

SPORTLETS.

No more "rough-housing" and coaching from the sidelines in basketball. The college rules committee, which met in New York Sunday, drew the lines more taut and next season four personal fouls, instead of five, will be sufficient to disqualify a player.

The Latonia Derby was contested today at the opening of the spring meeting of the Latonia Jockey club. The meeting is scheduled to run until July 9.

W. K. Vanderbilt's Oversight added a drop to his master's bucket Sunday at Paris. Oversight finished second in the Prix Hedouville, a ten-furlong affair. The race was run on the Chantilly course.

Detroit's picking up. Three straight from Philadelphia has just about broken the Quakers' winning streak which has been the sensation of the big leagues since the opening of their season. Stroud, the Tiger find, must be some twirler. Sunday he let the Athletics down with four hits and not allowing a base on balls.

Those four motor boats, Bernevo, Caliph, Caroline and Ilva, making a dash from Philadelphia to Havana and return to Atlantic city, are now on their final lap homeward bound. They passed Key West yesterday. The Cuban cutter Gypsy was with them.

That automobile owned and operated by "Mistah Johnslang" seems bound to get him into trouble. He's faced courts all over the land for exceeding the speed limit, now it's the innocent cause of the scrap with his manager, so the champion says. Little didn't like it because Jack took another man out riding.

Donau, winner of the Kentucky derby, at Louisville, will carry top weight, 127 pounds, in the Tonio big event. Joe Morris, Bookie and Royal Reporter, also entered, will be asked to accept 117 pounds as an impost. Gallant Pirate will carry 114 and Milton B. will have the least left, having been allotted 111 pounds.

When Corbett and Joe Choyneki boxed at Jeffries' training camp Sunday, it's said their pace was awfully slow. Choyneki was apparently fresh at the finish but the former champion was badly winded. Yet he wants to fight Johnson.

Rushes and bushes of joy. The St. Louis Browns kicked in with a victory Sunday, amidst the gasps of the half-fainting populace. Seems as though it's the first one in many moons.

President Navin, of the Detroit team, announces that pitcher Frank Browning has been released by Detroit to San Francisco.

CATCHER MAY DIE AS RESULT OF BEING HIT BY BALL.

San Francisco, Cal., June 6.—Catcher Orendorff, of the Los Angeles team of the Coast league, was struck in the head by a pitched ball during the morning game with Oakland Sunday and was injured so badly that he may die. He was taken to an Oakland hospital suffering with concussion of the brain.

Irrigation Congress Program.

Control, Colo., June 6.—The boards of control and governors of the 15th national irrigation congress to be held in Pueblo Sept. 26-30 next, Sunday began a two days' session outlining the program and completing preparations. Features of the program will be five minute discussions on general reform and some making, with reclamation and kindred topics associated.

SENTENCE SERMONS IN PULPITS OF EL PASO

When the Savior said "Occupy till I come," he meant for his people in El Paso to take this city for Christ.—Rev. R. T. Hanks at Calvary Baptist church.

Satan's favorite agent for banishing love from the earth and kindling in its place the hell fire of suspicion, distrust and hatred is a slanderous tongue.—Rev. C. O. Beckman at First Methodist church.

Jesus Christ was the first to teach the true fatherhood of God and the brotherhood of man, the great fundamental doctrines of Christianity.—Rev. Robert Bruce Smith at First Baptist church.

If we are not willing to go to heaven according to God's plan, very few, if any, of us would get there, if a half dozen other alternatives were offered.—Rev. Charles L. Overstreet at First Presbyterian church.

Truly there is nothing new under the sun, and I say unhesitatingly, that there is no law of modern times, which has not under some form or other, been met, answered and disqualified by the ancient church.—Rev. Henry Easter at St. Clement's Episcopal church.

Individuality is a force, a power, an agency which can be used to shape and form the multitude, according to the divine will; we are therefore of no use to God until we give Him ourselves completely; too many of us are trying to give the Lord some other man.—Rev. C. S. Wright, at Trinity Methodist church.

Many people are troubled about the miracles of Jesus; it is because they see them singly; they are each part of a greater whole and each falls into the rhythmic march of a life that cannot be measured by the figured lines of mathematicians.—Rev. Perry J. Rice, First Christian church.

A man's reputation is an incalculably precious possession, something which no man can purchase with gold or gems, but which he comes to own only after years of earnest, thoughtful devotion to duty and the most conscientious, self-sacrificing labor, and it is a mean, vicious, dashingly act to rob him of it.—Kenneth Brown, East El Paso Presbyterian church.

In this night of agony, we have a full representation of mankind—a Lord to pray, a Judas to betray, a Peter to deny, a John to abide faithful to his master, to my mind a true picture of our day, a Lord to pray, "He ever liveth to make intercession," a Judas to betray, a Peter to deny, and loving John who still abides faithful.—Rev. A. J. McElwain, Houston Square Baptist church.
